

Julia 言語を用いた常微分方程式の周期解の精度保証付き数値計算

INSTRUCTIONS FOR TYPING THE GRADUATION THESIS

高橋 和暉

KAZUKI TAKAHASHI

(指導教員 高安)

Abstract – Here you must write the abstract of your thesis. If you write the text in Japanese, you must write the abstract in English. If the text is written in English, the abstract must be written in Japanese. Abstract is not Introduction. In abstract, please briefly write what is studied, done, and concluded. It is not necessary to write why your study is started, or how your study is important.

Typical length of the abstract is about 150 – 300 words, but not limited.
